

Site Shelters, Kiosks and Attendant Booths FACTORY BUILT TO YOUR SPECIFICATIONS

We'll take care of this detail, You take care of the big picture

**BETTER DESIGN
AND
CONSTRUCTION
MAKE
PAR-KUT
PORTABLE
BUILDINGS
A
BETTER
INVESTMENT**

Instead of on site "stick-built" booths and contact stations, specify a pre-built Par-Kut building to avoid the issues inherent with weather and coordination of multiple trades. Par-Kut portable steel buildings are manufactured in a controlled

factory environment at our facility in southeast Michigan. We are proud of the quality and experience we put into all our booths. That quality assures you that a long lasting, good looking and comfortable building will be installed when you specify a Par-Kut building.

Buildings to Fit Your Needs and Style

- Ticket Booths
- Cashier Booths
- Entrance Stations
- Smoke Shelters
- Guardhouses
- Transit Shelters

**Ready to Install
and
Fully Customizable**
